

## THE LEADER IN WIRE MESH FENCING

Cable Cage Systems manufacture a large range of fencing products for the construction, mining, residential and rural industries.

All our fencing is manufactured locally at our Seven Hills plant using quality galvanised wire. We carry extensive stock so all fence sizes are available ex-stock and usually dispatch next day.

We offer an experienced sales team who can assist you with stock items and made to order sizes. We offer the most competitive rates free into store.

Find out why major Australian steel suppliers use Cable Cage Systems for their general fencing requirements.
